

Part-time Job Opportunity

We are looking for an enthusiastic “foodie” to sell bread on our bakery stall from 1st August 2015. We require a member of staff to run the stall on average two Saturday mornings per month (07:30 – 13:20). There may be opportunities for other occasional work in the mill and at farmers’ markets.

The successful applicant will need excellent communication and numeracy skills and should have an interest in food production and baking. They will be responsible for the setting-up and dismantling of the mill stall as well as the sales of bread. The ability to drive a large van and a clean-driving licence is an advantage. Full training will be given but a degree of physical fitness is important as the job will involve lifting and carrying.
